Dearest Audience Members,

Thank you for joining us for our 2024 Spring Dance Recital in the HMS PAC! Tonight, we kindly ask that you keep the following in mind:

Everyone is here to support and encourage their performer, please support all student performances as they all worked incredibly hard to be here this evening.

Please refrain from talking during dances. Your student may not be on stage at that moment, but it may be the student of someone near you and we want all of the focus on our performers.

Please be present during performances, even when your student isn't on stage. We want all of our performers to be respected and seen.

We kindly ask that all audience members refrain from using their cell phone to take pictures or record as this performance is being professionally recorded and photographed. All images and a link to the video will be sent to all dance families. If you have a small child who gets restless, please kindly move to the back of the auditorium or out into the hall in between dances.

Please do not walk through the rows during a dance as you may be blocking family members of those on stage.

We are incredibly proud of all of our students. As teachers, we have witnessed so much growth in all of our students; both technically and artistically, and we are thrilled that you will get to witness it on the stage tonight.

Thank you for being here and please enjoy the show!

Sincerely,

*Alissa Coombs and Samantha Hudson
