STUDENT
CHOREOGRAPHY
SHOWCASE

TUESDAY, DECEMBER 10, 2024

Dearest Audience Members,

Thank you for joining us for our 4th Annual Student Choreography Showcase in the HMS PAC! Tonight, we kindly ask that you keep the following in mind:

- Everyone is here to support and encourage their performer, please support all student performances as they all worked incredibly hard to be here this evening.*
- Please refrain from talking during dances. Your student may not be on stage at that moment, but it may be the student of someone near you and we want all of the focus on our performers.*
- Please be present during performances, even when your student isn't on stage. Please refrain from checking social media, watching the playback of the video you recorded of your student, etc... We want all of our performers to be respected and seen.*
- This show is being professionally recorded and will be distributed to each participant free of charge. Please enjoy watching your student live and not through your phone screen.*
- If you have a small child who gets restless, please kindly move to the back of the auditorium or out into the hall in between dances.*
- Please do not walk through the rows during a dance as you may be blocking family members of those on stage.*
- We are incredibly proud of all of our students and the works they created. You will see dances from all levels and abilities, but they all share a passion for our art form.*

Thank you for being here and please enjoy the show!

Sincerely,

*Alissa Coombs and Samantha Hudson
